Joomla redirection help

Inviato da Radu - 03/03/2013 10:38

Hello,

I want to redirect the following URL to my homepage: www.mysite.com/en/component/users/?view=reset

Can somebody help me please !

Create a rule as follow:

From URL: ^/en/component/users/?view=reset$
To URL: http://{siteurl}/
Request only: true (must be checked)

Kind regards,

Luigi

Thank You Luigi,

It works.

You are the best !

Kind regards,

Radu
