

Redirect doesn't work

Inviato da innerg - 07/10/2013 04:51

Hi,

I have trying redirect old link which are in google webmasters but redirect doesn't work.

I have see others solutions in forum, but it not work.

Please help.

Here is a page error

www.schody-wieczorek.pl/index.php?option=com_content&view=article&id=30&Itemid=51

need redirect it to

www.schody-wieczorek.pl/

as a : From URL :

/index.php?option=com_content&view=article&id=30&Itemid=51

To URL :

www.schody-wieczorek.pl/

Doesn't work, what is wrong ? it's a Joomla 3

Thank you for help,

best regards

Jaroslav

Hi,

just escape the question mark:

`^/index.php?option=com_content&view=article&id=30&Itemid=51$`

Kind regards,

Luigi
