V1.3 Meta tag not working

Inviato da raovatlk - 20/08/2011 16:13

Hi,

I used version 1.3 Meta tag. But it not working. when I change title of this page : cameraquansat360.com/lien-he with URI : /lien-he, it not work.

Thanks for supporting.

Hi,

could you please send me a dump of Tag Meta table at info(at)sistemistica.it?

I need to check how the item is configured...

Best regards,

Luigi
